26 No Agency or Partnership

Nothing in this Agreement is to be construed as constituting an agency, partnership, joint venture, or any other form of association between the parties in which one party may be liable for the acts or omissions of any other party. No party has the authority to incur any obligation or make any representation or warranty on behalf of, or to pledge the credit of, any other party.

27 Assignment

The Funding Recipient cannot assign, charge, create a security interest over, encumber or otherwise deal with any of its rights or obligations under this Agreement, or attempt or purport to do so, without the prior written consent of GBRF. The consent of GBRF may be withheld in its absolute discretion without giving any reason for doing so.

28 Change of Control

- (a) For the purposes of clauses (b) and (c) below, a Change of Control occurs if the Funding Recipient comes under the control of a third party who did not Control the Funding Recipient at the commencement of this Agreement and Control has the meaning given to it in section 50AA of the Corporations Act.
- (b) The Funding Recipient must notify GBRF immediately in writing if a Change of Control of the Funding Recipient occurs.
- (c) If a Change of Control of the Funding Recipient occurs without the prior written consent of GBRF, GBRF will have the right to terminate the Agreement if:

 - (ii) a direct competitor of the Funding Recipient gains Control of the Funding Recipient.

29 Costs and Duty

Each party must bear its own costs arising out of the negotiation, preparation and execution of this Agreement. All duty (including stamp duty and any fines, penalties and interest) payable on or in connection with this Agreement and any instrument executed under or any transaction evidenced by this Agreement must be borne equally by the parties.

30 Counterparts

This Agreement may be executed in any number of counterparts. All counterparts together will be taken to constitute one instrument.

31 Entire Agreement

This Agreement contains the entire agreement between the parties with respect to its subject matter. It sets out the only conduct, representations, warranties, covenants, conditions, agreements or understandings (collectively **Conduct**) relied on by the parties and supersedes all earlier Conduct by or between the parties in connection with its subject matter. Neither party has relied on or is relying on any other Conduct in entering into this Agreement.

32 Further Assurances

The Funding Recipient must do anything necessary or desirable (including executing agreements and documents) to give full effect to this Agreement.

33 Governing Law and Jurisdiction

This Agreement is governed by the laws of the State of Queensland. In relation to it and related non-contractual matters each party irrevocably submits to the non-exclusive jurisdiction of courts with jurisdiction there, and waives any right to object to the venue on any ground.

34 No Merger

The rights and obligations of the parties will not merge on the completion of any transaction contemplated by this Agreement. They will survive the execution and delivery of any assignment or other document entered into for the purpose of implementing a transaction.

35 No Waiver

A failure to exercise or a delay in exercising any right, power or remedy under this Agreement does not operate as a waiver. A single or partial exercise or waiver of the exercise of any right, power or remedy does not preclude any other or further exercise of that or any other right, power or remedy. A waiver is not valid or binding on the party granting that waiver unless made in writing.

36 Severability of Provisions

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction is ineffective as to that jurisdiction to the extent of the prohibition or unenforceability. That does not invalidate the remaining provisions of this Agreement nor affect the validity or enforceability of that provision in any other jurisdiction.
